

# Registration and Permission Form

[www.mayorstrophy.org.uk](http://www.mayorstrophy.org.uk)

The web site [www.mayorstrophy.org.uk](http://www.mayorstrophy.org.uk) has been created to publicise, support and provide general information for the Mayor's Trophy and Matthew Fullham Memorial Trophy regattas.

In order to improve communication, we would like to register the young sailors with the site so that they, and their parents, can be provided with updates by email, letter or telephone. For all people under 18 we need parental permission for this.

We also need permission to publish results and photographs (still and video) of the youngsters on the web site, in press releases and at any general publicity events. It is our general policy not to directly associate names with photographs. There may however be occasions where winners are either directly identified or identifiable by comparing presentation photographs with the results.

Results and photographs will be published to the web site as soon as possible after the event. Please check the web site immediately before the event for any last minute announcements and to download a consent form to fill in and bring with you to the regatta.

Personal information about the youngsters and their parents will not be sold, given away or made available to any third parties. Where the youngster has expressed an interest in an associated event such as the NSSA regatta then contact information may be passed on to the organisers of that event. The personal information will be held on a data base and may also be held on a data base within the web site. In this case, it will be accessible for changing via the web site only by the individual, using a user name and personal password. This will allow the information to be kept up to date by the individual. It will not be possible for others to view this information. We will make best efforts to maintain the security of information held on our data bases.

A lack of email address or web access in no way limits a persons ability to take part in the events and to be kept informed of the events.

## Personal Information – Competitor (BLOCK CAPITALS PLEASE)

Name ..... Date of birth ..... Male(M)/female(F)  
Address .....  
.....  
..... Post Code... ..  
Telephone .. ..... Mobile.....
